

Business Development Representative

OutPro

Hybrid · Hyderabad · Internship | Full-time Conversion
25,000/- (Internship Stipend) | 8 LPA (FTE Salary)

ABOUT THE ROLE

OutPro works with multiple B2B SaaS and services companies across the US, building and running their outbound sales function. As a BDR Intern, you are placed directly on active client accounts - generating outbound leads, running call campaigns, and over time, taking full ownership of the client's outreach execution.

You start by executing. If you perform, you own the client.

RESPONSIBILITIES

Outbound Execution

- Run outbound call and follow-up campaigns for US-based SaaS and services clients
- Generate qualified leads and book discovery calls for client sales teams
- Handle objections, follow up consistently, keep pipelines moving
- Maintain accurate activity logs and campaign reporting

Client Support → Full Ownership

- Start by supporting an active client account under close guidance
- Learn the client's ICP, messaging, and outbound playbook inside out
- Gradually take over day-to-day outreach execution end-to-end
- Become the primary point of contact for campaign delivery - owning output, quality, and results
- Build direct relationships with US-based founders across industries

WHY THIS ROLE?

- Work directly with the founder on high-priority tasks across client delivery and sales ops
- Handle fast-moving, ambiguous problems with minimal hand-holding

WHAT WE'RE LOOKING FOR

- Strong spoken English - non-negotiable; US-facing role
- High ownership mindset - you don't wait to be told twice
- Comfortable on calls and in real conversations
- Organised enough to manage multiple moving pieces
- Fast learner who moves from "assist" to "own"

GROWTH PATH

1. Own outbound execution for one or more client accounts
2. Become the go-to person for clients - results, quality, consistency
3. Move into a Founder's Office / Chief of Staff role
4. Full-time conversion with high responsibility
