

Intern - Sales Development Representative

Duration: 6 months internship | Location: Remote | Shift: Night (IST 6 PM - 3 AM) | North America

ABOUT ASTUTO

Astuto helps businesses cut and control cloud costs using AI. Our product OneLens gives real-time insights and automates savings workflows. We are SOC 2 Type II and ISO 27001 certified - security and trust are built into everything we do.

ROLE OVERVIEW

We are hiring SDR interns to generate a strong pipeline of sales-ready leads through cold calling, outbound emails, and LinkedIn outreach in North America. This role is ideal for students who want to build a career in B2B sales or SaaS.

You will book meetings with senior stakeholders such as Heads of Cloud/Infrastructure, DevOps leaders, and FinOps leaders.

WHAT YOU WILL DO

- Find and reach out to potential customers in North America via cold calls, emails, and LinkedIn
- Research target companies - understand their cloud setup, spending signals, and relevant pain points
- Qualify leads through discovery conversations and book demo meetings for the sales team
- Keep your pipeline organised with accurate CRM updates and activity logs
- Test new messaging ideas and help build outbound playbooks that actually work
- Collaborate with marketing and product teams to improve targeting and conversion

WHAT WE ARE LOOKING FOR

- Final year student or recent graduate - Engineering, Business, Marketing, or related field
- Strong spoken and written English - confident with cold calls and senior stakeholders
- Self-starter who can work independently without constant supervision
- Available for night shift hours: 6 PM to 3 AM IST (North America business hours)
- Basic curiosity about B2B sales, SaaS, or cloud technology
- Comfortable speaking with international prospects

WHY JOIN ASTUTO
